Icons & Mockups

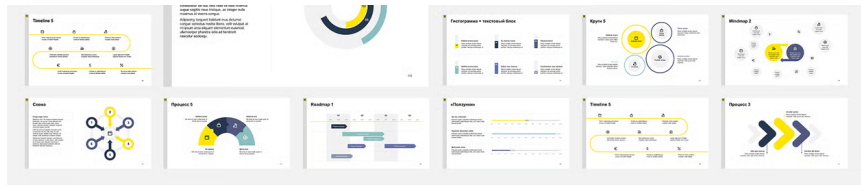

Custom Table Styles

SmartArt & Charts

Raiffeisenbank actively develops corporate-investment banking business. Special attention is paid to building of the brand, and presentations are one of the important parts of it.

Template prepared by Vladimir significantly helped us to optimize internal processes. Now we spent far less time to prepare an offer or a report. Final presentations look diverse but stuck to our corporate style.

Ekaterina Rodionova

Head of B2B Marketing | Corporate & Investment Banking
